

**Present:** Coleman, Drumm, Hall, Kuhn , Pyke and Graves

**Minutes:** Minutes from the meeting on July 15, 2013 were approved and will be posted on the website.

**Finances:** Financials were reviewed for the period ending July 31, 2013. No major issues were reported.

**Legal Update:** The Trustees received a report on the effort to submit the litigation issues to mediation, which has been postponed due to the demand from the plaintiffs' counsel to conduct discovery before engaging in mediation. Counsel for the Trustees has been engaged in responding to extensive and wide-ranging discovery requests from Dennis Butler, Jack Rupert and Rhonda Loje and conferring with the Trustees regarding the answers to interrogatories and the requested documents.

**Maintenance:** The paving of Beach Rd was completed and CPT is very happy with the results as are the Lagoon Trustees. Tony is working on finding the solution to the storm sewer and why it backs up. A camera may be used to diagnosis the problem. The platform tennis court repairs were completed. Additional funding for the repairs from various residents was discussed. A final drawing for the pump house/corral renovation will be obtained by McKnight. The survey for the fence has not be completed as of yet. Permits will be obtained from the city before work will commence.

**Playground:** Kuhn reported on the progress of the playground after meeting with the playground committee. Moving pieces of the equipment already in place to make room for a new pirate ship to be built by volunteers was discussed.

**LKWD fire rescue boat:** CPT will notify the city that training needs done as to not interfere with the beneficiaries enjoyment of the beach.

**FOB/Grove Project:** Sufficient funds are on deposit to proceed with the project. The first construction phase may start this coming week.

Next Meeting: Friday September 6, 2013 7:30 am at the beach
