

Present: Coleman, Drumm, Hall, Kuhn , Pyke and Graves

Minutes: Minutes from the meeting on July 11, 2014 were approved with corrections and will be posted on web site.

Finances: Financials were reviewed for the period ending August 6, 2014. No major issues were identified. The Treasurer noted that no new liens needed to be filed for the 2014 calendar year.

Legal Update: The status and recent developments in the two pending lawsuits were discussed. The Trustees also ratified and confirmed the filing of the Trustees' Motion for Summary Judgment in the CBIA, Inc. lawsuit and its correspondence with several beneficiaries.

Maintenance: The new fence behind the corral should be started soon. CPT discussed whether the arborvite's bordering the path to the back yard of the pump house should be removed. This could be a late fall or winter project. A large tree in the same location may need to come down and would require a crane to be used. This was also deferred to possibly the fall or winter.

CPT discussed the repair of the tennis courts. It was decided that this will be done next year. Three members who play regularly will be asked to join CPT possibly at the next meeting to discuss the project.

CPT has received quotes from two contractors to repair Beach Rd. These were discussed and Hall will contact Holmes, one of the Lagoon Trustees, to discuss further. Shoreline construction should start on the bulkhead repair soon.

Next Meeting: Friday September 5, 7:00 am at the beach
