

CLIFTON BEACH TENNIS RULES

2020

- 1. The Clifton Beach tennis courts are for the sole use of Clifton Park residents, Clifton Lagoon residents and Clifton Club members and their guests.**
- 2. Courts are for tennis only and may not be used for any other purpose. PLEASE STRICTLY ADHERE TO THE USTA GUIDELINES FOR SAFE PLAY AS POSTED AT THE ENTRANCES TO THE COURTS.**
- 3. Tennis players are reminded that the Clifton Lagoons is also a residential area. Screaming, yelling or the use of profane language on the courts is prohibited. Drinking alcohol on the courts is prohibited. Parking in spots reserved for Lagoon residents is also prohibited.**
- 4. Court hours are from 8:00AM to dusk.**
- 5. Appropriate attire, including a shirt and tennis shoes, is required. Dark soled Street shoes, bare feet, sandals and flip-flops are prohibited.**
- 6. Courts may be reserved one week in advance in accordance with the schedule at the Guard House. Members are limited to three reservations in one week. Reservations are forfeited if players are more than fifteen minutes late. To gain entry to the courts, you must check-in at the Guard House. The guards will open the court for you if it is locked.**
- 7. Players should arrive no more than 10 minutes prior to their reservation. When courts are not reserved or occupied, any group may go on, but must sign up at the Guard House. WHILE IT REMAINS IN EFFECT, THE TEMPORARY "NO GUEST" RULE APPLIES TO TENNIS COURTS.**
- 8. Play is limited to two hours. If there are no players waiting, players on the court may continue to play beyond the allotted time until another group arrives. At that time, they shall turn the court over to the new group.**
- 9. The time limit referenced in rule #8 begins at the time of the court reservation, or in the case of a walk-on to an open court, when the first two players take the court, not when a third or fourth player subsequently joins a group.**
- 10. Members may arrange for private lessons on the courts. No more than four members and a coach may occupy one court for a lesson. Lessons should be given in such a way as not to interfere with players on the adjacent court. UNTIL FURTHER NOTICE, BALL HOPPERS, BALL MACHINES, CONES OR OTHER MARKERS MAY NOT BE USED. Members taking private lessons must follow all of the aforementioned rules, e.g.,**

yielding to waiting members. **IF CHILDREN ARE INVOLVED IN THE LESSON, A PARENT OR GUARDIAN MUST BE PRESENT.**

11. Members using the tennis courts may not leave bottles, cans and other food or beverage related trash on the tennis courts. The trash receptacles normally located on the tennis courts will not be there this summer. There is a garbage can outside the courts near the gazebo where such items may be deposited.

12. Violations of the rules may result in loss of tennis or beach privileges, or both.
