

2021 CLIFTON BEACH RULES

Clifton Beach is maintained by the Clifton Park Trustees for use by Clifton Park property owners, certain members of the Clifton Club and Clifton Lagoon property owners (collectively, the “members”). Unauthorized visitors will be treated as trespassers and will be asked to leave the Beach by the Guards or be the subject of a police report. The Clifton Park Trustees have established these Rules to provide a safe and enjoyable Beach experience for all members and their guests. Members are responsible for their household members and guests. Guards employed by the Trustees are empowered to enforce the Rules. These Rules may be changed at any time by the Trustees, who will communicate changes to members. The Trustees, at their sole discretion, reserve the right to suspend or deny Beach privileges for violations of the Rules.

General

- All members and guests are required to follow all COVID related Ohio Public Health Orders. The Ohio Department of Health may update or issue new orders throughout the 2021 season, which will supersede any rule stated herein, to the extent a conflict exists.
- The Beach season is May 1st through October 31st. During the season, the Beach will open at 9 a.m. and must be vacated by midnight.
- All members in good standing, along with their household members, may use the Beach facilities. Household members shall be limited to those permanently residing in the home of the member.
- Clifton Beach windshield stickers will be attached by the Guards to the windshield of vehicles belonging to members or household members upon receipt of their assessment, their household registration form, and presentation of State-issued vehicle registration information. Only Guards may apply and remove vehicle stickers during the Beach season.
- On weekends (Friday evenings beginning at 4pm through Sunday evenings) and holidays (Memorial Day, Fourth of July, Labor Day), Clifton Club Members must have a parking pass, issued by the guard on duty, in addition to a valid window sticker, to park on Beach property. Based upon parking availability and at the sole discretion of the Guards, a parking pass for the reservation session may be issued to a Clifton Club member with a valid sticker who does not have a table reservation. Parking passes must be visible in the front windshield at all times. Clifton Club Members must remove their vehicles from the Beach property and return the parking pass to the Guardhouse at or before the end of the reservation session.
- A total of ten (10) guest vehicle day passes will be available Monday through Friday for guests of a host member who is present at the Beach. The vehicles with guest passes must depart the Beach when the host departs, no later than 4:00 p.m. Five (5) vehicle guest passes will be available, Monday through Thursday after 5:00 p.m., for senior citizens and handicapped guests of a host member. The guards will make the day and evening passes available, at their discretion, on a first-come, first-served basis. As in the case of all guests, the host member is responsible for the guests, who must comply with all the Beach rules.
- Non-stickered vehicles dropping off and picking up guests and/or supplies will be provided with a 15-minute time-stamped parking permit for that purpose.
- Only vehicles with stickers, stickers and parking passes, guard-issued guest vehicle day passes or time-stamped parking permits will be allowed to park on Beach property.

Motorized street legal scooters, carts, and motorcycles, must park in the designated space near the basketball court as directed by the Guards.
