Financial Recap

- The Trust's cash reserve to manage seasonal cash management for LT/Capital Maintenance is at historic strength.
- There are no *excess reserves*, only timing differences between assessments and actual construction work (permits, contractors, normal delays, seasonal conflicts).
- We will continue to provide periodic updates on the **Major Capital Maintenance** projects as they develop.

Riverfront Bulkhead – Next Up in '23-24

Legal Update

- Lawsuit filed in July 2020.
- Motion to Dismiss filed by the Trustees' Attorney (under D&O insurance policy).
- April 2023 Court Ruling on the Motion to Dismiss – Most of Count I was dismissed, all of Count II was dismissed.
- April 2024 Court granted Trustees' Motion for Summary Judgement, dismissing the remaining issue under count I.
- Plaintiffs filed notice of intent to appeal the Court's decisions related to Counts I and II (case number CA-24-113865). The Appellate Court will not rule until all briefs are filed. As Plaintiffs' reply brief is not due until Aug. 19th, we do not anticipate any further updates for the 2024 Beach season.
