The Trustees reminded him to walk the playground daily and pick up any garbage, dispose of it, and inspect for damages or needed repairs. New kiddie swings will be installed by the custodian. Orkin has been spraying the beach house for pests, and this will now be handled by the custodian and Orkin will be cancelled by the Secretary. The custodian was excused from the meeting at 7:30 am.

Minutes – The Trustees reviewed and approved the minutes with edits from the Trustee meeting on July 25, 2025. The minutes will be posted on the website.

Financial Review – No issues were reported.

Major Projects and Maintenance – The Trustees reviewed a detailed list of maintenance projects not associated with daily maintenance. These were previously emailed to the Trustees from the guard/custodian that works in conjunction with the current custodian. Some of the items have been completed and others will be completed as the season progresses.

The beach rake will be inspected by a representative from H Barber and Sons. Trustee Coleman will reach out to Nielsen Construction on the status of shutters for the beach house windows for winter.

Playground Update - A Park resident is in the process of obtaining quotes for additional playground equipment. A member-fund raising campaign will need to be carried out to secure funds for this project if it advances further.

Tennis Court/Tennis Committee: Volunteers that stated their interest in participating in a tennis court rules committee will be contacted by Trustees Meany and McCaffrey in order to meet as a group. They will then bring back their recommendations to the Trustees. The Secretary will reach out to the IT advisor to inquire about renaming the tennis courts on the map of the web site and when making reservations. CPT would like these to be renamed Tennis and the other, Tennis/Pickle. Adding the paddle court to the reservation system will also be inquired about. CPT had an additional pickle net donated by a park member. This net will be used for Trustee approved events as only one pickle court may be used at this time. The Secretary will send a thank you to the member on the Trustees' behalf.

Insurance Policy/ Alcohol liability: During a review of CPT's insurance policy it was noted that alcohol liability was excluded as part of the policy. At the meeting, CPT left a voice message for the insurance adjuster to inquire about this issue. It was also noted that at no time may alcohol be sold at the beach in any form, including offering drink tickets as part of an event that would have an admission cost.

New Business - Trustee Seibert is continuing to do research pertaining to the unique deed of the property at 17884 Beach Rd.

Next meeting- The next meeting is planned for Friday, September 26 at 7 am at the beach.
